1,2,3 Let's count!

This numeracy workshop reinforces their skills and allows children to explore concepts through games and activities.

Between moms

Parents come to talk about various subjects.

Having fun with science

A workshop that allows children to learn new scientific experiences while nourishing their natural curiosity.

Learn through play and Learn through play – 24 months and under

Come and have fun with your children while promoting their physical, social, emotional, cognitive and language development. A great opportunity to exchange with other parents and socialize with people from your community.

Learn through play at the park

Join us at local community parks for fun activities with your little ones.

Loose Parts

Loose parts are materials that can be moved, carried, combined, redesigned, lined up, taken apart and put back together in multiple ways.

Make and take

This children's workshop will let them create a special craft to bring home.

Messy day

It's time to take the paint out and introduce children to different colors!!

Move and grow

Come develop your child's gross motor capabilities through a variety of activities using muscles and motor abilities.

PedaYoga

PedaYoga is a method of body techniques designed to promote movement and the concentration of children.

Sensory fun
