May 2023

1,2,3 Let's count!

This numeracy workshop reinforces their skills and allows children to explore concepts through games and activities.

Crazy kitchen

A new way to discover how our kitchen tools can be used to create different games.

Having fun with science

A workshop that allows children to learn new scientific experiences while nourishing their natural curiosity.

House committee

Meeting to exchange ideas and suggestions to improve the services offered to families.

Infant massage

Five sessions of infant massage promoting healthy touching and communication between parent and child. Relaxation techniques will help soothe your baby and stimulate calmness for both of you.

This workshop is given by a certified educator.

Learn through play and Learn through play – 24 months and under

Come and have fun with your children while promoting their physical, social, emotional, cognitive and language development. A great opportunity to exchange with other parents and socialize with people from your community.

Literacy day

Children discover the alphabet through fun and interactive activities that stimulate curiosity towards literacy.

Make and take

This children's workshop will let them create a special craft to bring home.

Messy day

It's time to take the paint out and initiate children to different colours!!

Nursery rhyme time

Join this workshop of Songs and Rhymes to please your little ones.

Off to school we go

This animation workshop offers continuing support for young children entering kindergarten in creating a partnership between families, school and community. The objective of this workshop is to facilitate the transition to school.

Reading & recipes

Storytelling followed by a recipe.

Sensory fun

Sensory activities that help children learn new sensory experiences while nourishing their natural curiosity.

Science and construction

Discover a variety of materials and explore what we can do with them.

Yoga for little ones

Yoga helps the little ones develop concentration skills, self-esteem and body awareness using postures and specific exercises.

Workshop

May 23 from 9:00 - 10:00 am: Introduction to solid foods (French): Is your baby ready for solid foods? Do you have questions about introducing solids, food allergies or different approaches to weaning? During this virtual workshop hosted by a clinical dietitian, you will learn about complementary feeding and other baby nutrition topics.
