# October 2021

## **Having fun with science**

A workshop that allows children to learn new scientific experiences while nourishing their natural curiosity.

## **Learn through play – 24 months and under**

Come and have fun with your children while promoting their physical, social, emotional, cognitive and language development. A great opportunity to exchange with other parents and socialize with people from your community.

## **Make and take**

This children's workshop will let them create a special craft to bring home.

## **Messy day**

It's time to take the paint out and initiate children to different colours!!

## **Munchkin**

This group workshop offers 3 and 4 year old children the opportunity to acquire the necessary abilities in all aspects of their development.

## **Sensory fun**

Sensory activities that help children learn new sensory experiences while nourishing their natural curiosity.

## **WORKSHOPS**

October 13 and 27: 9:00-10:30 am Sleep Training Workshop With Judith Gour (French)

**Snowsuits: Contact Amanda or Tracy for more information**
