This numeracy workshop reinforces their skills and allows children to explore concepts through games and activities.

Baby parachute fun

Come and explore something new, with some parachute fun for baby and you while singing songs and rhymes.

Between moms

Parents come to talk about various subjects.

Crazy kitchen

A new way to discover how our kitchen tools can be used to create different games

Having fun with science

A workshop that allows children to learn new scientific experiences while nourishing their natural curiosity.

House committee

Meeting to exchange ideas and suggestions to improve the services offered to families.

Learn through play and Learn through play – 24 months and under

Come and have fun with your children while promoting their physical, social, emotional, cognitive and language development. A great opportunity to exchange with other parents and socialize with people from your community.

Literacy day

Children discover the alphabet through fun and interactive activities that stimulate curiosity towards literacy.

Make and take

This children's workshop will let them create a special craft to bring home.

Messy day

It's time to take the paint out and introduce children to different colors!!

Move and grow

Come develop your child's gross motor capabilities through a variety of activities using muscles and motor abilities.

Munchkin

This group workshop offers 3 and 4 year old children the opportunity to acquire the necessary abilities in all aspects of their development.

My backpack

Families will choose a backpack which includes activities that stimulate your child's literacy skills, imagination, and creativity.

Nursery rhyme time

Join this workshop of Songs and Rhymes to please your little ones.

Reading & recipes
